Our basic rates are as follows. Note that all rates are with or without our engineer. I.e. If you bring your own engineer we will still have a staff member to assist you. Otherwise we will perform all sound and/or video set up, recording, editing, mixing, mastering and CD creation.

Studio recording, using any of our gear (see gear list):

1-8 hours: \$52.00 per hour

10 hour block: \$520

Due to our size and need to focus on music: Please, no friends or other guests allowed in studio.

Remote Recording using Midas Venice 320 board and selected mics (up to 24 channel recording):

1-8 hours: \$78.00 per hour, plus \$100 within 50 miles (travel, load in / load out). Ask for travel expense for longer distances.

10 hour block: \$780, plus \$100 local (travel, load in / load out)

Remote clean AC power (20 amps or greater) must be provided to us.

Video Recording and Editing using up to two cameras, lights, up to four microphones

Using JVC HD100, Canon GL-2, Final Cut Pro

Video recording is at the same rate, studio or remote, as audio recording (above).
